SECOND PRELIMINARY AMENDMENT

After entry of the Preliminary Amendment dated July 8, 1998 and prior to examination of the above-identified application, please amend the above-identified application as follows:

IN THE CLAIMS

Please cancel claims 2 - 18 without prejudice.

Please amend claims 1, 67 and 113 as follows:

- SUB C1
RB
1. (Amended) An [expert matching] apparatus for managing communications between an expert [having particular qualifications] and an end user [seeking a solution to an end user request], comprising:
a controller unit for receiving from an end user an end user request that defines a requested expert qualification [generated by an end user], the controller unit having a database
